A person is seen from behind, sitting in a black office chair on a sandy beach. Their arms are raised in a wide V-shape, reaching towards the sky. The background features a calm sea, a hazy horizon with distant landmasses, and a sky filled with soft, white clouds. The overall mood is one of freedom and contemplation.

*“If you want to know the secrets of the universe,
think in terms of energy, frequency and vibration.”*

– Nikola Tesla

A vertical waterfall flows down a mossy, green cliffside. The water is white and frothy as it falls. The surrounding forest is dense with various shades of green foliage. The text is overlaid on the left side of the image.

I. ALIGN

1. Create Your Vision
2. Observe Your Patterns & Triggers
3. Release Blocks & Limiting Beliefs

1. Create Your Vision

A photograph of a person's legs from the knees down, walking barefoot on a dirt path in a lush, green forest. The path is narrow and leads into the distance, flanked by dense foliage and ferns. The lighting is soft and natural, suggesting a sunny day with some shade. The person's legs are the central focus, moving from the foreground towards the background.

Law of Destiny

When you alter your thoughts, words, beliefs, and actions, you steer the course of your destiny.

Creating a clear, focused vision is the first step to designing your destiny.

2. Observe Your Patterns & Triggers

A pattern is a repeating theme in your life.

A trigger is a negative emotional response to an event, person, place, or thing, typically that can be traced back to a repeating pattern.

Law of Infinity

A photograph of a hallway with light-colored walls and a wooden floor. A series of mirrors are placed on the walls, creating a continuous, infinite reflection of the hallway, illustrating the concept of infinity.

Every key choice & decision creates a ripple effect without end.

3. Release Blocks & Beliefs

Limiting belief is a perception about your life and the world that is not universal truth, but that you have inherited from others, and it keeps you in a limited reality.

A block is an emotional blockage from the past that holds you back from realizing your vision, despite your best intentions.

Law of Integration

Your effectiveness in consciously creating your reality is dependent upon how integrated you are with your past, present, and future selves.

Bringing in the threads of the past, present, and future into one circumscribed whole, you access godliness. You tap into the power to design your life.

Law of Integrity

The background of the slide features a compass rose with a gold needle pointing towards the top right. The word 'INTEGRITY' is written in large, bold, black letters across the top right. A blue waveform is visible at the top left, and a larger, fainter waveform is at the bottom right.

The Law of Integrity states that when our internal and external state become congruent with the Universe, we tap into Divine power.

Integrity is “the state of being whole and undivided.”

5. Access Divine Support

Law of Surrender

A woman in a white dress stands on a grassy hill, leaning back with her arms outstretched, symbolizing surrender. The background is a dramatic, cloudy sky with a bright light source breaking through the clouds.

When you are connected to Divine Source, your power & scope of possibilities is infinite.

True Power comes from Surrender
